WORKING OUTSIDE OF GEOGRAPHIC AREA**

WHEREAS the Employer has qualified tradespeople located in both communities of Princeton and Merritt;

AND WHEREAS the Employer also requires the use of contract tradespeople in both communities at certain times;

AND WHEREAS the parties recognize the inefficiency of having an employee travel from one community to the other within a seven and one-half (7 ½) hour working day;

NOW, THEREFORE, the parties agree as follows:

- 1.1 The Employer may, after advising the Union and in consultation with an individual employee, create an extended day shift for that employee provided that the average hours worked over the period (not to exceed six (6) weeks) is no more than thirty-seven and one-half (37 ½) hours per week.
- 1.2 Employees who may have difficulty accommodating a temporary re-assignment are invited to discuss their situation with their supervisor. In the event that an accommodation cannot be agreed upon, the parties will meet to discuss the circumstances that restrict the employee from being re-assigned.
2. The parties agree that the Employer may change the scheduled extended day(s) from time to time so long as the result complies with the general intent of the schedule.
- 3.1 The overtime provisions will not apply to the regular scheduled hours extending beyond seven and one-half (7 ½) hours in any day of the schedule or to any hours exceeding thirty-seven and one-half (37 ½) hours in any week of the schedule provided that the total hours over the period are no more than thirty seven and one-half (37 ½) hours per week.
- 3.2 Any hours worked in excess of the scheduled hours in any day shall be paid overtime pursuant to Article 15(a) and Article 16(a).

4. Any regular scheduled day that is a statutory holiday under Article 17 will be deemed to be a seven and one-half (7 ½) hour day (or the normal work day of the individual) and any extended work day scheduled for that day will be rescheduled to another day during that week.
5. In the event that a sick day (or part day) is taken on the extended day then the sick leave bank will be reduced by the total hours scheduled for that day (or the hours off on sick leave) and no time will be reduced for illness on a paid day off.
6. Other leaves required on an extended work day or a paid day off will be treated as one day leave.
7. This agreement will terminate on June 30, 2014.
8. The parties acknowledge that the Employer will agree, for the purposes of this letter only, that the employee will be allowed traveling time from the Princeton/Merritt shop to the Merritt/Princeton shop and return during work hours.

RE: JOB EVALUATION COMMITTEE MAINTENANCE PROCEDURES cont'd.

2.2 Changes to existing positions

Job descriptions shall not be construed as prohibiting the Employer from requiring incumbents to perform comparable or transient duties within the area of knowledge and skills required by the job description. However, if such additional assignments become a continuing responsibility, or they become recognized as part of the job requirement and they are of sufficient importance to potentially influence the job rating, the following procedures apply:

- 2.2.1 The Employer shall complete a Request for Review Form, forwarding copies to the Committee for review as soon as possible. If the Employer does not deem it necessary to ask for a review, then the employee can request a review through the appeal procedure.

- 2.2.6 Any employee under 2.2 affected by a downward adjustment shall continue at their existing rate of pay including all negotiated increases so long as he/she remains in his/her specific position which received the downward adjustment.

Any downward adjustment under 2.1 shall be implemented immediately after the notification of the results of the evaluation under section 2.

3. Appeal Procedures

- 3.1 The appeal procedure may be used by incumbents or the Employer after the job description and job rating has been completed as per section 2 (Evaluations) and either party feels that the job description is inadequate or the rating for the job is incorrect.

Steps in the Appeal Procedure are as follows:

RE: JOB EVALUATION COMMITTEE MAINTENANCE PROCEDURES cont'd.

- 3.1.1 Where there is a concern that the job description is inadequate or the rating is incorrect, it shall be appealed to the Committee, who may discuss the matter with the incumbent and the Employer. Such an appeal shall be referred within thirty (30) days of notification of the results of the evaluation under section 2.
- 3.1.2 If the Committee agrees to a change in the evaluation, it shall be revised and implemented accordingly.
- 3.1.3 If the Committee does not agree that a discrepancy exists, the Committee will so advise the parties.
- 3.1.4 If the parties involved do not accept the Committee's decision, they may pursue the matter through the arbitration process.
- 3.1.5 When a job evaluation is changed by the foregoing process, it shall be implemented retroactively to the date as in 2.2.5.

4. Arbitration Procedures

- 4.1 When agreement cannot be reached in the Committee on matters involving the accuracy of job descriptions and evaluations and/or the interpretation and application of the job evaluation rating manual, the matter shall be referred to a mutually-agreed upon mediator.
- 4.2 Where mediation is unsuccessful, the matter may be referred to arbitration.
- 4.3 The selection and subsequent appointment of an arbitrator shall be by mutual agreement between the Union and Employer. Should there not be agreement, the Arbitration article shall apply.

- 3.2 Should the student(s) to whom the EA is assigned move to another school within the district, the employee shall be given the option of moving with the student.

 - 3.8.1 the area formerly known as the Princeton School District
 - 3.8.2 the area formerly known as the Merritt School District

StrongStart Coordinator

1. The Employer created the positions of StrongStart Coordinators responsible for delivery of the StrongStart Program and identified the requisite qualifications, fitness and ability consistent with the program objectives and direction of the Ministry of Education.
2. The Employer has agreed to the inclusion of the StrongStart Coordinator positions within the bargaining unit represented by the Union. It extends recognition without prejudice to the stand it may take in the creation of the new positions, other than StrongStart Coordinators, in the future.
3. The Union has agreed to the terms of this Letter of Understanding to recognize the distinct character of the pre-school StrongStart Program.
4. With the inclusion of the current and future StrongStart Coordinator positions under the collective agreement, the Employer has set the qualifications, fitness and ability in the attached Schedule 1. The Union acknowledges the Employer's right to set the qualifications, fitness and ability and agrees that the qualifications established in Schedule 1 are fair and equitable. It is understood that any future variation of the qualifications, fitness and ability by the Employer will be subject to challenge if the Union does not believe the variation is a proper exercise of management and contractual rights under the collective agreement.
5. In recognition of the character of the StrongStart Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 10(d), the following shall apply to StrongStart Coordinators:

The employer reserves the right to deny an employee to bump into a StrongStart Coordinator position if this would create a negative impact on the StrongStart Program.

6. The times of the year at which the StrongStart Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten-month program, the annual vacation for the StrongStart Coordinator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 18 of the collective agreement, the following shall apply to StrongStart Coordinators:

StrongStart Coordinators will take their annual vacation during Christmas and Spring Break or otherwise when the program is not operating.

7. The daily operation of the StrongStart Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Articles 15(c) and 15(d) the hours of work provisions of the collective agreement. The parties agree to the following paragraphs:

Minimum Hours

The parties agree that, having regard to the unique nature of the position of StrongStart Coordinator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of the StrongStart Centre, the four-hour minimum shift shall be interpreted as an average four hours work daily over the course of a four week period.

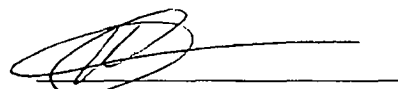

Break Periods

The parties agree that the paid rest period contemplated by Article 15(d) shall be taken during times that will not interfere with the operation of the StrongStart Centre.

8. The Employer reserves the right to offer the StrongStart Coordinators additional professional development opportunities if required to support the attainment of programming objectives.
9. Issues arising during the term of the LOU are to be brought to the attention of the parties with a view to finding a productive resolve as soon as possible. Future extensions of this LOU will need to address cost management of the StrongStart Centres within the Ministry funding allotment.

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.
